Re: THE BIMAC CORPORATION - EPA
(South Dayton Dump and Landfill Site, 1975 Dryden Road
(aka) Springboro Pike, Moraine, Ohio)

Dear Mr. Rafati:

The undersigned is legal counsel for THE BIMAC CORPORATION.

Pursuant to EPA's notice of potential liability and information request dated March 10, 2006, this will confirm our prior advice under our letter of March 29, 2006, that my client is not willing to perform or finance the activities described in the EPA's letter. There appears to be no indication that my client ever generated or transported hazardous substances that were disposed of at the South Dayton Dump and Landfill Site.

With regard to your request for information, enclosed herewith is a notarized Affidavit signed by the President of the corporation.

This response is being given within the two week extension which you previously advised was acceptable pursuant to your voice message.

Very truly yours,

David S. Ginger
Attorney at Law

Now comes, ROGER D. REEDY, who being first duly sworn, and in response to the Information Request of the United States Environmental Protection Agency dated May 10, 2006, concerning the South Dayton Dump and Landfill Site, to current or former BiMac Corporation [sic] facilities that may have used the Site from 1935 to 1996, deposes and says as follows with regard to the Information Request:

Information Request:

1. Identify all persons consulted in the preparation of the answers to these questions.

Answer:

Roger D. Reedy, President,
THE BIMAC CORPORATION

Address: 3034 Dryden Road
Dayton, Ohio 45439

David S. Ginger,
Attorney for THE BIMAC CORPORATION

Address: 267 Regency Ridge Drive,
Dayton, Ohio 45459

Information Request:

2. Identify all documents consulted, examined, or referred to in the preparation of the answers to these questions and provide copies of all such documents.

Answer: None

107 REGENCY RIDGE DRIVE
DAYTON, OHIO 45459-4221

937-474-7114
FAX 937-474-7681

Information Request:

3. If you have reason to believe that there may be persons able to provide a more detailed or complete response to any question or who may be able to provide additional responsive documents, identify such persons.

Answer: None

Information Request:

4. Identify all persons including respondent's employees, who have knowledge or information about the generation, use, treatment, storage, disposal or other handling of waste material(s) at current and former BiMac Corporation facilities or of the transportation of waste material(s) generated by current and former BiMac Corporation facilities and/or of waste material(s) transported to the above-referenced Site.

Answer: No current or former BiMac facilities used the Site from 1935 to 1996.

Information Request:

5. Copies of all shipping documents or other business documents relating to the transportation, storage, and/or disposal of waste material(s) or substances at current and former BiMac Corporation facilities and/or the above-referenced Site.

Answer: No current or former BiMac facilities used the Site from 1935 to 1996.

Information Request:

6. A detailed description of the generic, common, and/or trade name and the chemical composition and character (i.e. liquid, solid, sludge) of the waste material(s) generated by current and former BiMac Corporation facilities and/or transported to the above-referenced Site.

937-434-7114
FAX 937-434-7681

Answer: No current or former BiMac facilities used the Site from 1935 to 1996.

Information Request:

7. For each waste material above, please give the total volume, in gallons for liquids and in cubic meters for solids, for which you arranged for disposal and list when those substances were transported to the above-referenced Site.

Answer: None

Information Request:

8. What arrangements were made to transport the waste material(s) which were taken to the above-referenced Site? What type of transportation was used (i.e., tankers, dump trucks, drums)?

Answer: None/not applicable.

Information Request:

9. Who were the transporters of the waste material(s) BiMac Corporation facilities generated, and provide their current address?

Answer: No current or former BiMac facilities used the Site from 1935 to 1996.

Information Request:

10. Copies of all records, including analytical results, and material safety data sheets, which indicate the identity, amounts, and chemical composition and/or chemical character of the waste material(s) transported to, stored, or disposed at current and former BiMac Corporation facilities or transported to or offered for transportation to, storage, or disposal at the Site.

Answer: No current or former BiMac facilities used the Site from 1935 to 1996.

Information Request:

11. A description and list of all liability-insurance coverage that is and was carried by BiMac Corporation, including any self-insurance provisions that related to hazardous substances and/or the above-referenced Site together with copies of all of these insurance policies.

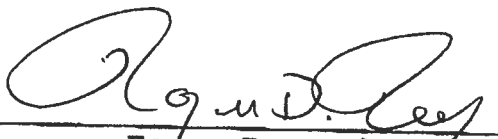

Answer: No current or former BiMac facilities used the Site from 1935 to 1996.

Information Request:

12. For each waste material please give the location at which it was disposed of on the Site. Please include a map of the site with disposal locations marked on it.

Answer: No current or former BiMac facilities used the Site from 1935 to 1996.

Further affiant sayeth naught.

Roger D. Reedy
